JOHN PATE

Plaintiff,

vs.

FEDERAL JUDGE:

Defendant

Case No.: [NUMBER]

REQUEST FOR LEGAL AID

§2996. Congressional findings and declaration of purpose.

"The Congress finds and declares that—

(1) there is a need to provide equal access to the system of justice in our Nation for individuals who seek redress of grievances;

(2) there is a need to provide high quality legal assistance to those who would be otherwise unable to afford adequate legal counsel and to continue the present vital legal services program;

(3) providing legal assistance to those who face an economic barrier to adequate legal counsel will serve best the ends of justice and assist in improving opportunities for low-income persons consistent with the purposes of this chapter;

(4) for many of our citizens, the availability of legal services has reaffirmed faith in our government of laws;

REQUEST FOR LEGAL AID- 1

1 (5) to preserve its strength, the legal services program must be kept
2 free from the influence of or use by it of political pressures; and

3 (6) attorneys providing legal assistance must have full freedom to
4 protect the best interests of their clients in keeping with the Code of Professional
5 Responsibility, the Canons of Ethics, and the high standards of the legal
6 profession.

7 (title X, §1001, as added §2, July 25, 1974, ; amended §2, Dec. 28,
8 1977, .)

9
10 I plaintiff John Pate Pro Se am requesting legal Aid from this court.
11 plaintiff has been forced into homelessness from ongoing occult crimes and
12 financial crimes being committed on myself for over 2 decades by respondents and
13 members of the Witness protection program they protects, et al. Plaintiff is in the
14 process of filing 12 cases against the US government and a few against European
15 entities and governments for Defrauding the United States of America, Forced
16 labor, and a collection of over a dozen other claims against these occult and
17 organized crime figures.
18
19
20

21 Plaintiff has sought legal aid on his own for over a decade and due to
22 all our resources in the United States for legal aid and food and shelter being given
23 away to foreigners that are decedents of the indies (Mexican, Guatemalan,
24 Burmese, Hindi , etc..). Plaintiff has sought aid in California, Florida and New
25
26
27
28

1 York City and all were denied ,I request legal aid again due to the severity of these
2 crimes against the United States and Multi National Terrorism on plaintiff.
3
4

5 After being denied multiple times plaintiff went as far as to ask 3
6 American Judges for legal aid and was denied all three times.
7
8

9 Judge Arecces Miami District court
10

11 (misappropriation of courts . Family court instead of criminal court
12 due to organized crime figures on record being defendents) Biological family in
13 the Occult started a fight before trial in lobby of courtroom Miami and where
14 unfair judgment was heard from Judge due to Plaintiffs lack of education and
15 homeless situation from decades of occult abuse from members of the Occult here
16 in the United States.

22 which caused more counts of Defrauding the United States , Conspiracy to
23 perpetuate Forced Labor/Slavery and what is presumable intentional tampering

25 process.

REQUEST FOR LEGAL AID- 3

1 Judge Santa Monica courthouse [locate / enter judges name?] October
2 2014 (Member of the Colombo crime family started a fight with me in courtroom
3 before court, bailiff had to intervene and threaten defendant by touching his pistol
4 after repeated arguing from respondents to the court bailiff.
5
6
7

8 If plaintiffs requests for legal aid are not met he will take action
9 against this court and add additional claims of conspiracy to commit ongoing
10 situation of forced labor/ Slavery for foreign and domestic run Occults being the
11 Masonic Occult -British Redcoats answering to the British Royalty, Scientologists
12 – answering to the French Aristocracy and Redcoats, Lions from Mar a Lago Club
13 answering to Austrian Royalty and the Colombo Jewish crime family – answering
14 to the Jew syndicate of hierarchy from the Indies and Eurasia
15
16
17
18

19 Plaintiff will also be motioning the Multi district litigation court to
20 move over 20 cases from the USA and European Government and Corporation run
21 by foreign royalty that plaintiff knows personally and or knows their close people
22 personally. Where all said parties fall under jurisdiction of the United States
23 Federal Court system and all powers, devices and levers associated therein.
24
25
26
27
28

1
2
3 **Due to the complexity of the Class Action Lawsuit and personal**
4 **claims, a request for Legal Aid is made by Plaintiff John Pate.**

5 **This action is filed under :**

6
7 **Sixth Amendment of**

8 **The Constitution of the United States of America**

9 *“In all criminal prosecutions, the accused shall enjoy the right to a*
10 *speedy and public trial, by an impartial jury of the State and district wherein the*
11 *crime shall have been committed, which district shall have been previously*
12 *ascertained by law, and to be informed of the nature and cause of the accusation;*
13 *to be confronted with the witnesses against him; to have compulsory process for*
14 *obtaining witnesses in his favor, and to have the Assistance of Counsel for his*
15 *defense.”*

16 Plaintiffs defense comes in the form of clearing his name and providing freedom
17 for himself from decades of crimes committed on plaintiff personally, with racism ,
18 bigotry and and malice. Plaintiff is also in defense of his peers and their joint
19 rights and freedoms as Americans, which have slowly been stripped away from
20 them since World War 2 and the decline in rights is increasing yearly.
21
22

23
24 This case is multi faceted and spans 5 countries and 2 continents. In this mess of a
25 life that was pushed on Plaintiff John Pate by these Occult groups in and out of US
26 government there is plenty of room to clear his name which does in fact make him
27
28

1 a Defendant of his previous actions and inaction as claims from a false arrest and
2 other court cases would have proven already, if plaintiff had not been the Victim of
3 a Jihadist attack in Paris France on Feb 22 2022 while in search of legal council for
4 actions committed by the aforementioned groups of Jewish caste system and
5 corrupt racist government operatives in the FBI the local police and other United
6 States Authorities of Government., plaintiff would have been able to return to the
7 USA. However after the Jihadist attack in Paris the Consulate decided to keep
8 plaintiff hostage in Belgium for months while multiple cases against the US
9 government went abandoned from time and an unresponsive plaintiff from being
10 held hostage by members of the Department of State in conjunction with the FBI
11 possibly the CIA and a host of elitists that own these companies from the greater
12 Los Angeles, New york City, San Francisco Bay Area, and Miami Districts. All of
13 whom plaintiff knows personally. All of whom have ties to parts of Europe where
14 these issues persisted and harassments and thefts continued repeatedly.

24 **PLAINTIFF JOHN PATE AND ADDITIONAL EXPLANATION OF NEED**
25 **FOR LEGAL AID**
26
27
28

1 Cover-up of jihadist attack in Paris on February 22 2022 while in search of a
2 lawyer for the following reasons:
3
4

5 Over 50 reports to the FBI for various reasons related to occult crimes and other
6 abuses from Organized Crime Members and their associates in the government and
7
8 in conjunction with members of the Colombo crime family.
9

10 All reports go unanswered and UN-investigated through multiple acts of
11 nonfeasance and malfeasance.

15 Federal Bureau Of Investigations Witness Protection Program and Organized
16 Crime division, Hollywood Society members, Palm Beach Society Members and
17 the Occult all with provably direct links to Plaintiff John Pate through the Mar a
18 Lago club in Palm Beach Florida , Beverly hills, Bel Air and Hollywood
19 community members plaintiff know personally and other provable social and
20 business connections. as well as show proof of the international Indian caste
21 system and their constant tampering in the United States Government to profiteer
22 from American they , the globally organized occult and caste system and other
23 monarchic and aristocracies whom committed ongoing crimes on plaintiff John
24 Pate and used United States and European government agents and agencies to
25
26
27
28

1 accomplish these acts illegally while committing gross civil rights crimes on
2 plaintiff personally and other people in his community. This collection of incidents
3 and crimes spans over 2 decades and use of occult based crimes have been
4 frequent. Many of the crimes are on record and includes many facets that have no
5 expiratory of time or statutes of limitation to expire. The crimes also fall into RICO
6 laws and punishment as well as other crimes including treason, high treason and
7 Defrauding the United States of America as well as counts of Forced Labor /
8 Slavery on plaintiff . The collection of complaints to various entities within the
9 United States federal government require a serious lawyer and not the plaintiff
10 John Pate who holds only a 7th grade education from decades of occult crimes from
11 members of the Jewish Colombo Crime Family. Plaintiff can show proof of
12 ongoing international fraud, Racism from Government agents ,treason, high
13 treason, multi-national terrorism, Defrauding of the American government and
14 citizens, Cover-up of a Jihadist attack in Paris as well , along with constant
15 sabotage and other interruptions into an ongoing genocide investigation to crimes
16 against humanity conducted by the global caste system operating illegally in the
17 United States of America and in other free lands abroad. The institutions and
18 agencies list also contains, the IRS for repeated sabotage of business. the northern
19 district of California's federal circuit court judge Tse , judge Spero – for corruption
20 and sabotage which set in motion further hinder against plaintiffs finances for the
21
22
23
24
25
26
27
28

1 caste system plaintiff personally has relations with in Los Angeles and Palm Beach
2 which in turn sabotaged plaintiffs patents and industry changing innovations the
3 more recent financial sabotage is in interest of covering up decades of occult
4 abuse on plaintiff. The sabotage over funding's owed by pate development llc, a
5 shell corporation that plaintiff John Pate did not know he was a partner off and
6 who was in fact supposed to be removed from the Companies papers over a decade
7 prior to the previous court action which was vacated from uncontrollable
8 abandonment due to plaintiff being held hostage in Europe by the Dept. of State
9 and other government parties against his will while a Jihadist attack was covered
10 up and multiple lawsuits against the US government and a organized crime group
11 became abandoned from time. The various other crimes and incidents also touch
12 the following agencies and persons and most of whom seperate court actions could
13 be filed independently however when working in conjunction these seperate
14 crimes from all these seperate institutions, agencies, departments of Government
15 and corporations add up to very bad Conspiracy to Defraud the United States
16 Government and Treason on Americans as well as the aforementioned crimes and
17 crimes to be mentioned. Also plaintiff is not alawyer and has very limited
18 knowledge on case study and acces to it from his life circumstances and in truth I
19 would think dozens more statutes can be found with proper investigation into these
20 matters and others which are stemmed.

18 covello , tranchina , emmett, eddy yakubovic , members of the Caste of the
19 Sopranos and other East Coast Based film companies and their talent staff. I have
20 been reporting these members of he Colombo Crime family and their associates
21 that committed crime on me for over a decade. Most have Italian last names but are
22 mixed with very racist Indians, some call themselves turks others Saudis, others
23 Israeli others Moroccan and others Hindi but their all decedents of the indies
24 committing genocide and calling it organized crime.
25
26
27
28

1
2 my first interactions with members of the FBI were when i was about
3
4 ten years old and my home was being raided due to my biological families
5 membership in the Colombo crime family operating out of Staten Island new york
6 city. since then ive had nothing but serious problems in my life from my own
7 family whom have joined the witness protection program with all the other
8 intermixed indies people that are in their so called European Mafia here in the
9 USA. these members of the deep state that plaintiffs biological family sells drugs
10 with and commits other crimes against Americans with, have been allowing these
11 mafia members to continue their assaults on his life due to protecting these
12 repeatedly from arrest and criminal prosecution or civil prosecution.
13
14
15

16 Now the theft has gone from minor in consideration of my financial
17 capacities, to major where as the worth has increased from only hundreds of
18 millions of dollars lost and stolen from the previous thefts and business sabotage to
19 trillions per year from the hundreds of energy devices, environmental cleanup
20 devices, aeronautic designs which encompass stability shapes for dirigibles and
21 super heated noble gas technologies for dirigible systems. Superheated Noble Gas
22 launch platforms for extra terrestrial and low orbit satellite systems and other
23 applications. The launch platforms reduce the fuel burned in the everglades and

 2 created including dehydration recondensation systems for dessert water systems
 3 that desalinize the sea water using the sun and hundreds of other inventions that
 4 have been stolen or simply suppressed.
 5
 6

8 **Sabotage / harassment organized stalking and harassment /**
 9 **treason/ multinational terrorism** on an American citizen born and raised in New
 10 York City . Plaintiff has filed numerous reports in the past detailing crimes being
 11 committed by occult an dmafia members repeatedly. Besides the reports it seems
 12 now the members of the Federal Government that protect these criminal
 13 orgnaization members have now taken it up themselves to profit from plaintiff with
 14 members of the Californian Elitists. The same group that is being propelled by
 15 Google and Alphabet to Caste System Heights by use of our Tax dollars and
 16 corrupted trade deals..

1 on freedom and free nations by members of foreign origin since the
2 Great Stock Market Crash in the 1920's. [-insert classified doc numbers-] Wherein
3 shortly after, America was somehow indebted to the British and other Foreign
4 Governments in a country that generates more money than any other on earth. If
5 they are funding a sub-government from an origination within US taxpayer
6 treasuries, National Banks, State Trusts and like authorities which house large
7 sums of Precious Metals, Geodesic Materials, Other Materials of Extreme Worth
8 and Value and which most seem to have been ceased of function starting just after
9 World War Two (2). Then it would seem reasonable to think that the War assets
10 administration and the War surplus Administration did sell off our country after
11 WW2 through corrupt sales of our steel industry, airports and loss of a real high
12 speed passenger train system across the united states to keep the country together.

19 By destroying our industry and economy and constant use of horrible
20 practices on the environment and the absolute worst methods of manufacturing
21 possible on earth at times, and hundreds of other namable offenses to our society as
22 free persons, coupled with the complete assault of Caste system foreign
23 corporations taking root throughout North America and concentrated primarily in

1 imposing their Caste System Ideals through out corporations in North America ,
 2 numbering in the thousands, and who implement mentioned attributes into our
 3 society illegally through such avenues as policy, by-law, standards, and numerous
 4 other methods where in isolation each would be considered harmless or simply bad
 5 taste or criminal accounts or thoughtlessness. However when compounded and
 6 collectively counted it seem many of these legal acts or slight to moderate
 7 infractions of our laws now have become presumably illegal acts. An example of
 8 some believed to exist by plaintiff is staging trials repeatedly to change law over
 9 time. Where in both parties and the Judge are privy to the scheme beforehand .
 10 These past ideas are some of the Genocide investigations that have been sabotaged
 11 on plaintiff.

 21 been spying on me through electronic and interpersonal relations since I used their
 22 WiFi connection originaly in FireHouse Art studios in Berkeley California.. This
 23 group has strong ties to meta in Paolo alto who sabotaged my business repeatedly
 24 and failed to investigate hacking repeatedly along with the FBI. and Elon musk

1 Who Uses my writing that have been stolen to propetuate his own social image
2 along with entire industries and knowing whats needed in the near future with
3 space mining and gathering inside the solar system and how their entire plan of
4 colonizing Mars changed to inside the earths orbit for more energy and heat from
5 the sun as well as it being safer than outside the earths orbit for rescue operations if
6 an emergency took place. Also my writings on the tablet you get inside one of their
7 pods instead of thruster controls and a steering interface. These are unprovable at
8 this point however this is a real problem for plaintiff and people who are anti caste
9 system and governments such as the United States where this behavior is highly
10 illegal. .

11
12 Plaintiff had personal relations with a Lucca gauche in Los Angeles
13 whom is believed to receive money from Conrad Hilton for their joint espionage
14 on what they consider "the opposition", being plaintiff who is an American since
15 birth.

16
17 In addition to the series of 18 Power generator designs where the
18 magnet and coil assembly are levitating by use of other magnets below them and
19 located in a chamber systems or housings. These designs were stolen from
20 plaintiff. The power generators are all levitated on magnetics and float with almost
21 zero resistance and a unit the size of a large commercial microwave can power a 2

1 bedroom home and recharge an E-vehicle at night. Many of my aeronautic designs
2 are being stolen by these groups, plaintiff was a victim of theft by when his "one
3 drive" and Laptop were completely hacked after complaints about American Law
4 enforcement continuously protecting certain members of the Witness Protection
5 program were reported.
6
7

8
9 Also Military applications for shutter wing systems that make the jets
10 hop and barrel roll very effectively as well as vertical and horizontal "loop"
11 maneuvers or combination there of have been stolen and reports were refused by
12 members of the Department of States European Consulate community. While the
13 ongoing financial fraud and occult tactics used by my biological mixed family on
14 plaintiff John Pate since birth has left him incapacitated financially for years
15 coupled with the repeated inactive response from American Law Enforcement , the
16 American Bar Association and the American Judiciary that these complete losers
17 can get away with committing these crimes on an American citizen born in New
18 York City when it was great.
19
20
21
22
23

24 Other military applications are undersea ballistic rounds, the ballistic
25 is shaped as a hollow pipe segment and is ejected off the electromagnetic barrel
26 which spins the ballistic so it cuts strait through the water. The initial shots are less
27
28

1 distant but a vortex is created from the rapid fire which increases speed and
2 distance on following ballistics as a drafting effect is suspended through the fluid
3 when used in fully automatic mode.
4

5
6 High Speed and High Altitude Super Heated Noble Gas Dirigible
7 technologies and other aeronautic designs such as stability shape sciences for
8 AeroYachts are being stolen by these same caste system operatives working
9 illegally in United States and European Governments. And taking said entire
10 industries and using the money against my fellow Americans and other free people
11 for Caste System Interests some of whom, that recently inherited their "royal"
12 seats they fart in, are in reality opportunists from potentially what seems to be
13 apparent murder and genocide since circa 1920 AD and in which seems to have
14 been a root intention of the Indian nationalists in question, foreign elitists including
15 Jews, Zionists along with real life examples everywhere of "The Protocols of the
16 Wise men of Zion" all residing here in America. A possible real manifest of
17 control and power the Indian Nationalists swore was not theirs or what they
18 intended and which helped spark World War 2 where Americans were forced to
19 fight their families in war for years. Here is another example of investigatory
20 materials that have not been fulfilled due to lack of finance from intentional
21 sabotage repeatedly.
22
23
24
25
26
27
28

1
2 These are other investigations that have been interrupted repeatedly
3 by members of various caste systems working in conjunction and against
4 Americans and other Anti Caste System based nations globally whom seem to use
5 American Military to have staged wars wherein everyone wins except Americans,
6 over and over again, since the great depression.
7
8

9
10 Investigations into the Stock market crash of 1929 have been halted.
11 Discovery of how a mercantile exchange which crashed in New York City was
12 terrible enough to level the entire country financially. A large part misunderstood
13 could be considered questions such as,
14
15

16 “ How would it destroy the country if it was not a sabotage by foreign
17 interests working in conspiratorial fashion?”
18
19

20 “Where did the Gold and other precious metal and materials of Value
21 and Worth go to that they were not in the country to cause bankruptcy
22 everywhere?”
23
24

25 “Who gave permission for foreign entities to trade as such in The
26 United States Market if these are proven to be accurate assumptions? “
27
28

1
2 “If questions prior hold uncomfortable revelations?”
3

4 These are some of the Questions Plaintiff would be addressing to
5
6 Masonic , Scientologist and Lion members of the US government along with the
7
8 French Afro-indie caste system associates but am unable to, due to financial
9
10 constraints which have been placed on Plaintiff illegally through the course of two
11
12 (2) decades of occult based crimes on plaintiff John Pate. Which the US
13
14 government up until now has with vehement relentlessness refused to investigate.

20 The complaints in regards to the Department of State range in various
21
22 forms as well and contain dozens of counts of malfeasance and nonfeasance by a
23
24 government official in regards to cover-up of a jihadist attack in Paris on February

Nonfeasance / Malfeasance ;

Failure to discharge a mandatory duty by a government official /

Failure to attend to protocol by a government entity:

Department of State

The complaints in regards to the Department of State range in various forms as well and contain dozens of counts of malfeasance and nonfeasance by a government official in regards to cover-up of a jihadist attack in Paris on February 22 2022 by the Parisian consulate, the consulate in Milan and the consulate in Brussels Belgium as well as hostage taking by the American consulate in Brussels Belgium.

In regard to investigations of multi-national terrorism and ongoing stalking and harassment by the caste system operating in Paris France . The police and the Consulate in Paris both did absolutely nothing over the course of years reporting crimes being committed on plaintiff.

Also the Consulate of Barcelona Spain committed the same crimes for cover-up of ongoing stalking, harassment and violence by members of organized crime being protected by the American federal governments witness

4

5
6 Conspiracy to defraud the United States Government. Refusal to take reports of
7 online fraud, theft and destruction of patents can only be seen as intentional after
8 so many years and now a Jihadist attack and other acts of violence on record and
9 on video.

16 For aiding, hopefully with negligence only , corporate sabotage, and sabotage to
17 hinder again patents and inventions created by plaintiff unknowingly sabotage a
18 genocide investigation by vacating a case over funding's owed by pate
19 development llc. Mr Pate has repetdly had products and inventions based on using
20 ambient energies to achieve function and energy equipment designs corrupted by
21 respondentent ongoing racism on plaintiff. The ongoing financial peril of plaintiff
22 can be directly and provably liked to respondents in this particular court action.
23
24

25 The confusing part is how it was vacated after I the motion to dismiss the motion
26 to vacate where the respondents purgered them selves multiple times. Plaintiff was
27
28

1 unable to come up with financing to pay for costs associated with continuing the
2 process and hiring private investigators to pull these records and was always
3 refused aid from legal services. In plaintiffs perspective a grave error was made
4 here.
5

6 Respondents of this action are also members of the Mar a Lago club
7 in Palm Beach Florida where they are presumably protected by members of said
8 social club and spa.
9

10
11
12 Southern District of Florida Federal Court

13 Judge areces – Plaintiff I uncertainty this federal judge was negligent or if possibly
14 he had contact and was prepped with misinformation in regards to plaintiff John
15 Pate. Plaintiff could use a trained investigator with funding the incidents in court
16 did not make sense and the vacating of the action was with proper authority
17 however again another US Judge was informed of the ongoing problems and
18 crimes form members of this organized crime group and plaintiff was still refused
19 Legal Assistance after he was refused in the local legal aid office where a big
20 Indian guy tod me I did not qualify even though im was homeless and without
21 resources. Plaintiff explained tis and was still denied. Plaintiff was also
22 reprimanded by the Judge for starting an argument in the anit chamber but it was
23 in fact the respondents ex wife taking pictures of plaintiff and arguing with bailiff
24
25
26
27
28

1 about putting her camera away that was the incident, this was after the respondents
2 family member started a verbal altercation and the bailiff had to speak to them.
3
4 How plaintiff was reprimanded for that incident is more proof of Indians and
5 Indies origin people committing gross racism on plaintiff and using government
6 office to accomplish these crimes without any repercussions.
7

8
9 These actions further stopped Mr. Pate from investigating additional members of
10 this group who have connections in

12 through Herbert Weissman and Frank Gerrardi.

19 Also believed to be involved by plaintiff in the cover-up of the jihadist attack and
20 hostage taking are the Tequesta Florida police and the Village of Tequesta whom
21 are also guilty with proof of conspiring with members of the Colombo crime
22 family. These cases were vacated while Plaintiff was being held hostage in
23 Brussels by the DEPARTMENT OF STATE and the DEPARTMENT OF
24 JUSTICE and can be proven with malice by these racists and bigot women in the
25 united states federal government that keep targeting plaintiff and his inventions

1 and manufacturing processes and shipping all our and my industry to Mexico ,
2 Central America , South America and any caste system Indian run community they
3 are from and all of whom seem to be caste system governments and communities
4

5
6 The problems Mr. Pate receives fro millegal acts upon him usually ends up with
7 some type of person in government with Indies origin of some kind and claiming
8 to be European and most are women. This ongoing racism and bigotry plaintiff
9 has endured since he is a child from his own intermixed family and their
10 government protection has made plaintiff a racist to certain groups of people. Mr.
11 Pate is from New York City an dwas born in the 1970's, for an American who
12 grew up in the Citys America it is not normal. Our group are the ones to innitiate
13 the Civil War which freed the slaves before my family was in this country.

19 for the French Afro Indian caste system as well as Donald j Trump's security team
20 for sabotage and corruption in conjunction with European caste system members
21 and American organized crime mostly being committed by racist bigot women
22 operating in these positions. other cross complaints may be filed depending on
23 levels of provable crimes from various departments of government and their
24 employees and contractors. .This complaint is part of a series of ongoing crimes
25 being committed by members of the Masonic occult, the Scientology occult, the
26
27
28

1 Lions occult, the Colombo Jewish crime family, and members of the United States
2 Government working in conjunction and over the past 2 decades using occult
3 tactics and other crimes on Plaintiff John Pate. Plaintiff has personal and business
4 ties to all parties listed in this complaint and all parties listed to join. Plaintiff has
5 sought remedy, however due to his lack of education and the fact that he is
6 homeless from over a decade of occult tactic with minimal resources the
7 Government has in the past used this against him finding justice and their lack of
8 actions perpetuate ongoing crimes by members of organized crime and the occult.
9 Besides that plaintiff has had to relocate numerous times from violence and other
10 crimes committed on plaintiff while he had fled the USA and was seeking refuge
11 in Europe's Social system from decades of crimes being committed on him. The
12 brief synapses of events and people involved to follow are crimes committed to
13 plaintiff John Pate and will be petition to move to the Multi District Litigation
14 court due to the vast area this case covers here in the United States of America and
15 in several European countries.

28 REQUEST FOR LEGAL AID- 30

1 through conspiracy espionage and blatant sabotage of 6 Patents under review at the
2 Intellectual Property Office in Ljubljana Slovenia.

3
4 The Sabotage and corruption the Trump family is believed by plaintiff
5 to be a part of also entails tampering with articles located at the United States
6 Patent And Trademark Office as well as in The Slovenian Intellectual Property
7 Office in Ljubljana Slovenia. Where it is believed that the Trump family is
8 involved in corrupt actions which led to more abandonment of his patents, more
9 confusion in the process of patent and product development, one patent in
10 particular is a portable UVC sterilization unit and anti-pathogyn device using
11 photovoltaic and motion sensor technologies. The unit was entered into the office
12 and due to plaintiffs lack of ability to use public library computers from
13 harassment from Scientologist, Masons, Colombo Family and Lions , oh my.
14 Along with their community members in government jobs were actually able to
15 have him harassed repeatedly even from library workers! This all happened in
16 Weirdville California on record while investigating law for the Tequesta police
17 lawsuit and for action plaintiff filed against the Pate Development corporation for
18 multiple types of fraud and racism.
19
20
21
22
23
24

25 These events happened just before plaintiff returned to Paris France in
26 search of Legal Assistance for the action against Pate Development being vacated
27 and is a few weeks prior to a Jihadist attack taking place on plaintiff on February
28

1 22 2022 on Boulevard San Michele in Paris France. Where plaintiff was targeted
2 by multiple men with covid masks on whom suddenly emerged from a halal kebab
3 shop yelling ally akbar , lifting their masks spitting on plaintiff and hitting him in
4 his chest. Plaintiff tried to keep moving but the retarded scumbags kept following
5 him an aggressively initiating more violence. Due to the 3 members not being able
6 to recruit more of their people in the assault and intervention from two french men
7 the attack finally ceased 200 yards from where it began through Blvd San Michele.
8
9
10

11 The incident was reported to the french military , and the police in den
12 haag , the records of the reports sit in the tribunal in Metz France which is the only
13 authority that took plaintiff seriously in all of west Europe due to everyone being
14 held hostage by terrorist refugees.
15

16 Multiple reports were placed in the police in Paris Frances 14th
17 Arrondissement on boulevard du Maine through the past sever years while plaintiff
18 was residing in Paris France as an artist.
19
20
21
22

23 and these actions have been repeated from these same types of
24 women in government and whom is believed by plaintiff to be relation to other
25 members of foreign staff employed at the Mar a Lago club whom plaintiff
26 interacted with over a decade ago when he frequented the former Post Home. The
27
28

1 patents locate din the Slovenian Office are in the process of being released to the
2 public after more default from the plaintiff due to overwhelming sabotage of
3 electronics and other means of communication in regards to financial earning
4 capacities. Plaintiff is uncertain if Ex President Donald J Trump is aware of
5 previous incidents or if these actions are in sublime. However with overwhelming
6 evidence of the same types of people involved negatively in plaintiffs life for so
7 long it is presumable that the Trump family may be involved in these ongoing
8 incidents and cover-ups with the members of the Hollywood elite that corralled me
9 into their lives a decade ago and whom are believed to be part of these ongoing
10 crimes due to multiple provable reasons including multiple telephone calls to hos
11 facilities speaking about being held in Europe and other crimes being committed
12 on me. His failure to respond and his connections with these same celebrities and
13 occult members that have been using terrible occult tactics on Plaintiff for over a
14 decade put serious questions on the table that thus far Donald Trump whom John
15 Pate knows personally has been avoiding with vigor while presumable being part
16 of this King Baby squad in all sides of American politics and celebrity and
17 conspiring with events which caused multiple counts of Defrauding the United
18 States Government and people, weather unknowing or knowing and the gravity of
19 these incidents is of such a tragic nature that their can be no winner except the ones
20 who thrive on misery.

00).REPUBLICAN POLITICAL PARTY-

Plaintiff has met and associated with members of the Republican Party through membership at the prestigious club Mar- A - Lago in palm beach Florida. Where he has had prior interactions with staff members. Mr Pate has also had interactions with the security personnel and other united states security companies since he was a young child. During which time his grandfathers friends Ronald Reagan and George Bush senior would visit him at his catering and events venue on staten island in New York City. Plaintiff has had ongoing contact since that age from surveillance and other events due to his biological father Robert A Pate and biological Uncle John R Pates role in the Colombo family and Colombo War in 1992 where after the war they ran to the Witness Protection Program and it is believed they have been informants and "re-Ratters" for the feds whom sell narcotics and commit other untaxed acts illegally and in doing so compile Defrauding the United States Government repeatedly along with the various other crimes being committed on Plaintiff personally.

3 system members operating illegally in government. With evidence of crimes.
4

5 During Mr. Pates time living in Europe both of free will and against
6 his will at times, plaintiff had left multiple messages for Donald J. Trump and have
7 recently attempted to contact him since Plaintiffs return to the United States to file
8 these actions.
9

10 For blatant disregard of an American Citizens well being after
11 contacting so many avenues for aid in these very difficult times, for sabotage on
12 Environmental soundness through sabotage of patents and devices for
13 environmental cleanup, ocean cleanup and a multitude of designs where a standard
14 coil power generator is levitated on magnets and produces over 3:1 electricity out
15 to in and where 18 variations of this invention were stolen , it is obvious this group
16 is heavily involved in the conspiracy to keep these obsolete gas pig and fracking
17 companies profiteering and keep Americans on a financial leash and on the brink
18 of being snuffed out as a free society, for the Global Caste System.
19

25 The repeated refusal to contact Donald or to return my messages
26 themselves to the proper authorities shows true signs of treason. Mr pate is also
27 wondering if the Estonian couple that were servers at Mar a Lago around the year
28

1 2009 are perhaps in the Security team somehow after repeated theft from the two.
2 However Mr Pate has no way to verify what's going on since he's been
3 excommunicated and forced into homelessness by this Occult and the occult tactics
4 used on plaintiff John Pate repeatedly.

18 Election where he contacted Donald Trump's staff at his ex club Mar A Lago.
19 Plaintiff repeated and called several times as well as Emailed the Mar A Lago club
20 asking them to relay the messages to Donald Trump.

2 return to the USA while the government knew plaintiffs financial situation and
3 used it to avoid court through technicalities.
4

5
6 The I.R.S. then took it upon itself once the small ammount was
7 gathered after months my plaintiff asking people for money homeless in Brussels,
8 the I.R.S. informed the Department of State that I was unable to fly home due to a
9 balance of money I never even knew about consisting of 24,000 dollars that still
10 needs to be disputed but plaintiff is dealing with many many other crimes at the
11 moment and has not had time to file the dispute after being homeless for the past
12 14 years from the same exact incident , a foreclosure on his home that the FEDS
13 say he somehow owes money on. Which when investigated is certain its going to
14 have some racist woman making racist decisions for free peoples lives. The I.R.S
15 employees understood their was a Jihad attack on plaintiff and insisted I could not
16 fly to the USA. After which when I was in another country they claimed I have
17 not paid . Plaintiff gave proof of payment from his bank statemen to the consulate
18 in Iceland to show the Icelandic Consulate staff they were in fact up to tricky tricks
19 and they were lying and these Department of State people use every dirty trick on a

4 -involved in the cover-up of the jihadist attack and hostage taking ,
5 for failure to contact the proper authorities in palm beach , negligence, gross
6 negligence and other provable claims as well as fraudulent and unwanted polica
7 accountability hearing that plaintiff was against participating in and was held in
8 such a fashion that can be deemed ridiculous and outlandish behavior at best by
9 the manner in which it was enacted and executed.
10
11

12 After contacting the Berkeley police after a very difficult and
13 emotionally and physically upsetting time being held hostage in Europe, plaintiff
14 contacted the Berkeley Police as instructed By officer Z Zed from the West Palm
15 Beach Police Department when plaintiff telephoned them from Marseille France in
16 regards to another attack and filming of the attack by an assailant in Marseilles
17 France where the perpetrator was filming plaintiff while he was attacking plaintiff
18 and telling plaintiff "he needed to return to his family in the United States" and his
19 sexually obsessed Jewish organized crime biological family members.
20
21
22

23 The Department of State and the Department of Justice refused to take
24 the reports from the Marseilles France Police and refused again to investigate
25 citizens of Palm Beach County Florida USA again. At this point plaintiff was
26 forced to gather money together to get to the USA to seek remedy for these serious
27
28

1 issues America has spilling into Europe and which infects its own homeland with
2 as well.

3
4 The meeting with Officer Driscoll lasted just over 2 minutes , it was
5 located on the steps of the Berkeley Police Station in the City of Berkeley
6 California. Officer Driscoll would not take a written report , he would not
7 investigate further and he refused to take an actual report and give the report to the
8 West Palm Beach Police Department as instructed by Detective Johnson when he
9 was contacted by Mr. Pate from Marseille France.
10

11
12 Mr Pate then proceeded to ask to speak to officer Driscoll's supervisor or
13 another Police officer and was then forced into a police accountability hearing
14 otherwise the attacks would have been completely ignored. I asked multiple times
15 to speak to a supervisor but was refused and left with just the option of a Police
16 accountability hearing that was online and I was unable to attend . So after months
17 of getting everything together to get back to the USA again to report these crimes
18 they were not reported again and it is believed Officer Driscoll has ties as most of
19 these police do to the Masonic Occult who answers to the King of Britain whom
20 again is a Jew cross-mixed from the Indies.

From an unresponsive staff that plaintiff entrusted with sensitive information on redirecting industry with submittal for protection of various Intellectual Property devised and created by Plaintiff John Pate. Where as an example of one innovation aspect into the content, detailed facts and points of entire industry and clarified unknown facts of "Air wedging" where dynamics of a concave roof or a peripheral comprising up columns with flat tops force the dirigible or balloon to self level by constant pressure from the opposite flat top and point of most resistance. These are some of the hundreds of inventions, designs, patents, manufacturing processes, designs in chemical soaps, designs for bamboo in bamboo rods , universal wall systems, piezoelectric gels , and architectural as well as manufacturing and utility designs for multi use excavation and mining equipment, robotics parts and pivotal points of the construct of these assemblies

1 are being stolen by these people as well as power coils that levitate on magnets and
2 produce well over 3:1 power out to in (with a standard electric engine or the like)
3 by reducing the friction of the upright coil and magnet power generation module
4 and where if using natural sources a small stream can power a 2 ton coil every 100
5 to 200 feet depending on force of the stream. A set of small wind cups can turn a
6 coil the size of a wind farm coil without all the tremendous windmill apparatus at
7 hundreds of feet tall or solar fields as far as the eye can see. Other designs for
8 hollow circuits and wiring where the inside has dip points to create a situation
9 where loss is reabsorbed inside the current in a separate current or vacuole which
10 reduces loss of power by free electrons and the electromagnetic field. That being
11 said as a point of outside thinking with factual realism might I point out for clarity
12 of plaintiffs mental capacity some of his current original theories from the past
13 decade , here are but a few of hundreds or thousands of original thoughts:

14
15 Jupiter's ruptured surface being the cause of the Great Storm of Jupiter
16 and theories of the cause being a moon colliding with another moon then crashing
17 into Jupiter to cause the fracture in the mantle , or possibly a blowout from an
18 underground ignition of hydrogen , perhaps the debris fields in the forward and aft
19 gravitational wakes are from inside Jupiter. Perhaps that's why theirs so many odd
20 debris shaped satellites of Jupiter in orbit as moons. These are other Works of
21 plaintiffs stolen by these people and protected by my own government.

1 The earths outer core is most likely comprised of mercury and low
2 melting point metals such as bismuth. During formation the liquids, liquid metals
3 low melting point metals would seep through the larger pieces of debris that began
4 the initial snowball effect of forming this planet and cling to the source of most
5 gravity which would be the largest or most dense piece of matter unless effected by
6 an additional source which then the liquid may gather or disperse from one
7 example of an additional force would be a load stone or other magnetic field which
8 would cause the material to react . However if conditions are only or primarily
9 effected by gravity then odds are the liquid metals would form the outer core. This
10 would obviously depend on the planet and initial composition and situation of
11 materials in whatever part of space each formation of planet occurs. So, that being
12 said, if not here with this planetary composition on this planet then most likely on
13 one in a more mercury rich part of space where and when other planetary
14 formations occur.

19 These are some of the brilliant works that comprise larger bodys of
20 works all being used by these members of Caste System against Americans and

1 other anti caste system countries by hurting an American such as plaintiff. These
2 works have been placed inside this request for legal aid to record and show
3 plaintiffs very expansive thought and understanding of life. It is believed that the
4 thieves are even attaining research funding in Grant and Loan forms from my
5 work and innovative thinking without even giving me so much as a mention. And
6 where its financial fraud for already knowing the answers to funding for research
7 requests of known material from theft as well as organized stalking and other
8 occult based crimes and acts of forced labor/slavery have been placed upon
9 plaintiff by means of constant theft coupled with financial fraud to keep plaintiff
10 homeless and without recourse for thousands of occult crimes done to him. This

22 to be only good at stealing from real men of science and innovation. The individual
23 left out the part about learning Klingon, and yelling at him in Klingon before
24 beating him up in Paolo Alto. But almost verbatim never the less. This part is
25 unprovable at the moment and plaintiff understands this is hearsay however with
26

7 Plaintiffs works on the Cons of martian colonization as opposed to
8 colonization inside of the earths orbit in relation to harvesting energy, light, gravity
9 and heat from the sun as well as using a vast amount of vegetation and veg edibles
10 for life support systems and Yeast beds for carbon dioxide. Plaintiffs analysis also
11 involved safety factors for rescue if problems were to arise in the colony and the
12 likely-hood of anyone on mars surviving in relation to a rescue for a colony or
13 space city inside earths orbit. The paper also covered myth and lure and the
14 possible discovery of old mining facilities underground or, the even scarier,
15 currently active mines. Space welding shop designs have been stolen and countless
16 other real life practical ways of achieving space mining and material gathering
17 even safety devices , pressurized swim chambers with scuba equipment to fight
18 atrophy was another innovation and part of my own space mining business model

19 plaintiff of that invention and other inventions Plaintiff believes these people were
20 directed to avoid giving plaintiff proper service and attention even though he

1 described his homeless situation to multiple members of staff at the Ombudsman
2 and at the Patent office.

3
4 Plaintiff was confronted as well on several occasions where his call to
5 customer service was answered by young people at their homes during Covid lock-

7
8 If it were not for plaintiffs occult family and the members of the
9 government and the organized crime people protect them, plaintiff would be a
10 Nobel Prize recipient by now for all his work, especially without any formal
11 education. But instead is homeless from his Jew mothers hatred for him since birth
12 and her Jewish people in government that protect her.

13
14 Due to no response from the government for over a decade plaintiff
15 life was in such terrible disarray from ongoing occult crimes, that the simple process
16 of patenting a basic electronic device became impossible from lack of material and
17 access to material needed for the process. These actions cost America.

gross violation of civil rights and human rights ,
false arrest and blatant disregard of basic protocol of a domestic call between plaintiff and his biological father a member of the Colombo Crime family , a Jewish syndicate. The cases was vacated while Plaintiff was being held hostage in Brussels by the Department of State and the Department of Justice and plaintiff would hopefully be able to begin the process of refiling due to the severity of crimes committed on plaintiff including a Jihadist attack and 2 years of Covid Lock-down.

The Tequesta Police were supposed to remove Robert A Pate from plaintiffs property however they chose to arrest John Pate on his own property hours after the EMS reported plaintiff telling Robert Pate to leave his property. Robert A Pate is a member of the Colombo Family but has always kept many friends and associates in Law Enforcement in South Florida. Due to actions of

1 conspiracy with organized crime figures plaintiff was seeking a small amount of
2 restitution in consideration for the amount of additional problems plaintiff received
3 with a violent domestic charge on his record. Plaintiff had lost many jobs from that
4 appearing on his record from his biological father and being set up again by these
5 people.
